Re: Proposed Dakota Access Oil Transmission Pipeline (ROW#7269) Routes on North Dakota School Trust Lands (PU-14-842)

Dear Micah:

On June 4, 2015 Michael Haupt, North Dakota Department of Trust Lands, and Chris Candelaria representing Dakota Access Pipeline had an onsite meeting on section 36, T156N, R94W in Mountrail County to review the proposed Dakota Access Pipeline route across this section. In this meeting Dakota Access requested that it be granted a greater distance than the proposed 25 feet from and parallel to the nearest pipeline in the corridor (the Enbridge "Portal" pipeline) due to the steep topography. On the following day, June 5, 2015 this request was presented to the Land Commissioner and he agreed with routing the proposed Dakota Access Pipeline at 75 feet south of and parallel to the nearest pipeline (the Enbridge "Portal" pipeline) in the pipeline corridor. This applies only to this tract and on all other tracts of Trust Land crossed the proposed Dakota Access Pipeline will need to be routed 25 feet from and parallel to the nearest pipeline in the pipeline corridor.

In order to obtain the Land Commissioner's approval on the routing segment of this pipeline easement request on all School Trust land tracts involved please update the attached survey plats that you previously provided with the following information;

1. The survey plats need to have the total feet, rods, and acres for permanent easement area and temporary construction area broken down for each quarter section of Trust Land that is proposed to be crossed.
2. Temporary work space needs to be depicted correctly as it should not be depicted over adjacent existing pipelines.
3. All access routes around bore segments and emergency routes off of the easement area must be depicted on the survey plat.
4. The pipeline diameter for each tract of Trust Land crossed must be shown on the survey plat.
5. All plats signed by the Registered Land Surveyor.

If you have any questions or would like to meet again, don't hesitate to call me at (701) 328-1945, or email me at cjbarth@nd.gov. Thanks.

Sincerely,

Cory Barth

SURVEYOR'S CERTIFICATE

I, Calvin Heinly, a Licensed Land Surveyor in and for the State of North Dakota, do hereby certify that at the request of the North Dakota Department of University and School Lands, did complete a survey for the purpose of establishing the permanent pipeline easement located in the South Half (S1/2) of Section 36, Township 156 North, Range 95 West of the 5th P.M., Williams County, North Dakota, said easement being comprised of a strip of land 33 feet in width lying 16.5 feet on each side of the following described centerline:

LEGAL DESCRIPTION OF PERMANENT EASEMENT: Commencing at a 1/2-inch iron rod with a cap found for the southwest corner of said Section 36; thence North 88 degrees 16 minutes 35 seconds East along the south line of said Section 36, a distance of 5,275.48 feet to the southeast corner of said Section 36, thence North 01 degrees 42 minutes 34 seconds West along the east line of said Section 36, a distance of 1,851.24 feet to the Point of Beginning; thence South 86 degrees 25 minutes 53 seconds West, a distance of 202.46 feet; thence South 86 degrees 41 minutes 17 seconds West, a distance of 489.42 feet; thence South 86 degrees 31 minutes 18 seconds West, a distance of 341.66 feet; thence South 86 degrees 39 minutes 15 seconds West, a distance of 740.51 feet; thence South 86 degrees 42 minutes 05 seconds West, a distance of 564.99 feet; thence South 86 degrees 27 minutes 45 seconds West, a distance of 719.35 feet; thence South 86 degrees 35 minutes 54 seconds West, a distance of 1,052.90 feet; thence South 86 degrees 28 minutes 17 seconds West, a distance of 209.12 feet; thence South 86 degrees 35 minutes 21 seconds West, a distance of 151.69 feet; thence South 86 degrees 31 minutes 08 seconds West, a distance of 259.56 feet; thence South 83 degrees 19 minutes 52 seconds West, a distance of 548.61 feet; to the west line of said Section 36 and thus terminating, said ending point being located North 01 degrees 43 minutes 50 seconds West along the west line of said Section 36, a distance of 1,664.30 feet from the southwest corner of said Section 36 and containing 6.06 acres.

This Certificate is to the best of my knowledge and belief a true description of said survey. I hereby certify that I have executed this document this _____ day of _____, 2015.

SURVEYOR'S CERTIFICATE

I, Calvin Hjemby, a Licensed Land Surveyor in and for the State of North Dakota, do hereby certify that at the request of the North Dakota Department of University and School Lands, did complete a survey for the purpose of establishing the permanent pipeline easement located in the East Half (E-1/2) of Section 36, Township 150 North, Range 96 West of the 5th P.M., McKenzie County, North Dakota, said easement being comprised of a strip of land 33 feet in width lying 16.3 feet on each side of the following described centerline:

LEGAL DESCRIPTION OF PERMANENT EASEMENT: Commencing at a 1-1/2-inch aluminum cap found for the northeast corner of said Section 36; thence South 88 degrees 32 minutes 30 seconds West along the north line of said Section 36, a distance of 1002.30 feet to the Point of Beginning; thence South 00 degrees 04 minutes 37 seconds West, a distance of 172.81 feet; thence South 02 degrees 26 minutes 04 seconds West, a distance of 172.81 feet; thence South 09 degrees 57 minutes 18 seconds East, a distance of 423.11 feet; thence South 09 degrees 42 minutes 54 seconds East, a distance of 348.40 feet; thence South 09 degrees 42 minutes 54 seconds East, a distance of 393.58 feet; thence South 37 degrees 16 minutes 56 seconds East, a distance of 92.50 feet; thence South 42 degrees 10 minutes 10 seconds East, a distance of 117.07 feet; thence South 48 degrees 50 minutes 26 seconds East, a distance of 324.60 feet; thence South 47 degrees 32 minutes 53 seconds East, a distance of 749.00 feet; thence South 42 degrees 10 minutes 10 seconds East, a distance of 117.07 feet; thence South 42 degrees 50 minutes 26 seconds East, a distance of 324.60 feet; thence South 47 degrees 32 minutes 53 seconds East, a distance of 749.00 feet to the east line of said Section 36, said line remaining; said ending point being located South 01 degrees 21 minutes 51 seconds East, a distance of 2006.97 feet from the northeast corner of said Section 36, and comprising 1.81 acres.

This Certificate is to the best of my knowledge and belief a true and correct description of said survey. I hereby certify that I have executed this document this 5th day of February, 2015.
